Te Kāhui Mātai Arotamariki o Aotearoa

Call for expressions of interest:
PSNZ Annual Meeting Scientific Committee (AMSC)
Paediatric Society of New Zealand (PSNZ)

The Paediatric Society of New Zealand | Te Kāhui Mātai Arotamariki o Aotearoa (PSNZ) is seeking expressions of interest in joining our Annual Meeting Scientific Committee (AMSC).

This is a fantastic opportunity to help shape the scientific programme of PSNZ's Annual Scientific Meeting, ensure a diverse range of voices and topics are represented, and uphold the Society's commitment to equity and excellence in child health.

We are currently seeking new committee members to represent the following groups:

- Child health nurses (2 positions)
- Allied health professionals (1 position)
- Paediatricians (minimum 3 positions)
- Academic paediatric community (1–2 positions)

We particularly encourage expressions of interest from Māori and Pacific peoples.

The AMSC, led by Chair John Thompson, plays a key role in:

- Advising on the scientific content of the Annual Scientific Meeting
- Ensuring a balanced and inclusive programme
- Reviewing abstracts and selecting presenters
- Upholding Te Tiriti o Waitangi and supporting equity within the scientific programme
- Advising on PSNZ awards, scientific activities, and speaker funding

To learn more about the role and responsibilities, you can read the [Terms of Reference](#).

Please email your expression of interest, including a short bio and your relevant experience or interest in contributing to: admin@paediatrics.org.nz

Expressions of interest close: **5 August 2025**.
