

PAEDIATRIC
SOCIETY
NEW ZEALAND

Health of our Children, Wealth of our Nation

BREAKING NEWS!

By 31 March you will be accessing all the PSNZ news and discussion forums on the NEW Paediatric Society website!

Enjoy familiarising yourself with your NEW private version of the website as it makes its transition to fully operational.

You will receive TIP SHEETS that guide you to access the new technology in the private version of the NEW website!

But first. LOG ON!

15 February 2018

OUR ACTION PLAN

We need one hundred percent of our membership logged in and utilising their NEW website and the communication/networking tools ASAP!

WHY?

So that you can continue to receive ALL the information you have been receiving via the ListServ to date!

So that you can all receive notification and pay your annual subscription in April ONLINE!!

A TWO PRONGED APPROACH (RUNNING SIDE BY SIDE):

1. We will upload EVERYTHING that is referred to go on the ListServ straight into the website - initially we will send notification via ListServ that new material has been uploaded (plus Tip One) so as to encourage you to make the switch. REMEMBER in time the ListServ will go.

2. We will coach EVERYONE using a series of TIP SHEETS on how they can make a full the transition to the website - these will also be available on the website if you are a late starter!

AND REMEMBER ask for help if you need it!

“TIP SHEETS will guide you to use your new technology how and when you wish”

Specialist sharing

Discussion groups

Planning and scheduling activities

Better management of emails

HOW CAN YOU HELP?

If you haven't done TIP ONE already, please do it now. The success of our new system is reliant on you!

TIP ONE - How to Log On, and complete your personal profile

To log on enter your email and then use the 'forgot password' link to reset your password. This is more secure than us sending you all a password in plain text.

You will now see in the middle of your screen...

YOUR ACCOUNT

[See your profile](#)

[View discussions](#)

Click into 'See your profile' and complete and/or update your personal information.

Now go to the top bar and click on DASHBOARD - you will now be able to see what you have immediate access to.

Enjoy!

MESSAGE FROM YOUR PRESIDENT

It is exciting to be launching this new website early 2018. Our Society started 70 years ago in 1947: a vastly different age of dial phones, boat travel, written letters and a fledgling paediatric specialty. Our renovated website reflects something of that change and responds to our need to keep connected. In the final analysis it is simply a tool that enables the meaningful interactions between us in the service of children and youth. So get on board and use it. Our PSNZ strategy has four themes: *Connect, Grow, Advocate, and Improve Practice*. Using the website will help us do these things well.

As an update for you of PSNZ activity, Council have a teleconference on March 7th, and a face to face strategic planning day on April 13th. As a Society we are looking to strengthen our membership and participation including trainees in all disciplines of child health, in nursing, allied health, primary care and specialty paediatrics. I have had some conversations already about this with members and value the ideas given. If you have thoughts about how we do this please get in touch with me or your local PSNZ council member. How do you contact us?
